SOFTWARE DEVELOPER

## PROFESSIONAL SUMMARY

Full-Stack Developer passionate about turning technical challenges into innovative software solutions. I thrive on writing clean code, overcoming obstacles, and staying updated with emerging technologies. Seeking to join a strong development team where I can actively contribute to building scalable projects while further solidifying my professional experience in the industry.

## WORK EXPERIENCE

### Erasmus+ Intern

BUCARES S.A - France | February 2026 - June 2026

- Developed cross-platform mobile applications (Flutter/Dart), integrating the Google Maps API for real-time offer visualization, and implemented Riverpod for robust and efficient state management.

### Software Development Intern

Fiordland Travel - Spain | February 2024 - June 2024

- Built automated workflows using n8n to reduce time spent on administrative tasks, such as email distribution, and developed chatbots to handle first-level inquiries from existing and prospective clients.
